

90 degrees (sideways)  
ability (something we can do)  
accurately (right)  
acknowledging (saying)  
acorns (Oak nuts)  
activity (movement).  
actually (for real)  
Additional (More)  
adjacent (nearby)  
admire (like)  
admit (say it's true)  
advantage (good luck)  
advice (ideas).  
advising (telling me what to do)  
affect (change)  
aligned (lined up)  
aligning (lining up)  
allows (lets)  
Chart (List)  
Alphabet" (ABC'S)  
Although (even though)  
ancestors (people who lived on earth before us)  
ancient (very old)  
antics (movements like clapping her flippers)  
anxious (wants now)  
aphids (little bugs that eat beans and roses)  
apparently (it seems like)  
appear (show up)  
appeared (showed up in our thoughts)  
appears (shows up)  
apply (use)  
appreciate (thank)  
appreciated (thank them for)  
appreciates (likes)  
approach (way of doing something)  
appropriate (the right kind)  
approval (she says okay)  
approved (said was okay)  
approximately (about the same)  
arcing (electromagnetically glowing)  
argue (fight)

arranged (put or placed)  
arrangement (shape)  
artistic (art)  
As a result (because of)  
aspect (part)  
assume (think)  
attached (hooked to)  
attention (what you think)  
attract (pull them to you electromagnetically)  
attracted (pulled)  
audible (sounds you can hear)  
Aurora Australis (Southern Lights)  
Aurora Borealis (Northern Lights)  
avoid (get away from)  
awakened (awake)  
aware (know)  
awareness (listening quietly to what I think others are thinking) (feelings)  
awarenesses (thoughts)  
backgrounds (work experiences)  
Backwards (Back)  
bacteria (little germs)  
barbecuing (cooking outside)  
basic (simple)  
basics (simple ideas)  
basis (simple rules)  
beginning (start)  
believe (know)  
belly (tummy or stomach)  
benefit (help)  
billion dollars (\$1,000,000,000.00)  
biological (living)  
bothering (worrying)  
bottom (under side)  
branches (limbs and leaves).  
break down (simplify)  
brightly (strongly)  
building (learning)  
canine (dog)  
carefully (with care)  
causing (making)  
centering (aligning)

centerline (a line from the North Pole to the South Pole)

certain (sure)

challenges (work).

challenging (difficult)

Chapter (Part)

characteristic (idea)

charging (adding energy)

Chart (List)

children (kids)

circles (Round Shapes)

clarify (make clearer)

clearly (better)

clicking (with a computer's mouse's buttons)

closest (nearest to me)

clue (idea)

collapse (bend)

collapsed (bent)

comfortable (relaxed)

comforting (makes me feel good about the ideas).

comment (thought)

common (happens a lot).

Communicate (Talk And Write )

commonly (often)

communicates (thinks and feels)

communicating (sharing)

communication (talking and writing with feeling)

compass (magnetic field tool)

competent (good)

complained (said they were worried)

complete (all of it)

completed (taken)

composed (made up)

compromises (giving and taking)

conflict (word fight)

confused (mislead)

confusing (hard to understand)

confusion (not knowing what is going on)

congratulations (way to go)

connect (link or hook)

Connecticut (one of the eastern United States)

connecting (drawing lines between)

connection (hooking together)  
consciousness (thoughts and feelings)  
considered (thought of as)  
considering (thinking about)  
contact (touched)  
contain (have)  
continue (keep going)  
contract (close)  
control (being in charge)  
controlled (caused)  
conversations (talking)  
cores (centers)  
correctly (right)  
counterclockwise (the other direction from how a clock's hands turn)  
counterparts (animals like them)  
cranium (skull)  
crazy (not being okay)  
create (make)  
created (made)  
creators (the ones who made them)  
creature (animal)  
Creature's (Animals And Insects).  
cruel (mean)  
crunched (taken a bite of)  
cube (a square block shape)  
cultures (countries)  
curious (interested in)  
current (electrical energy)  
curved (like a "c" shape)  
dangerous (might make me sick)  
dealing (working)  
decided (thought about and chose to)  
decides (chooses)  
dedicated (really cares about)  
deep space (the sky)  
definite (real)  
definition (meaning)  
described (told about)  
description (how I explained her)  
destroyed (killed)  
develop (build)

developed (grew from)  
developing (still learning)  
development (growth)  
diaphragm (the muscle above your belly button)  
difference (change)  
differences (how they are not the same)  
different (not the same)  
difficulty (a hard time)  
direction (way)  
disagree (say something else)  
discovered (found out)  
discovery (finding something new)  
discuss (talk about)  
disrespectful (unkind)  
distance (how far they are)  
Document" (what you are reading)  
dolphins (air breathing fish)  
doubt (am not sure)  
drawn to (like)  
edited (rewrote)  
effect (how much they change me)  
effects (sounds)  
efficient (without wasting)  
effort (work)  
EFL (English as a first language)  
electricity (like a light bulbs energy)  
electromagnetic (like the Sun's energy)  
electromagnetic other half (true love)  
electromagnetic system (our planet and the sun)  
emotional (our feelings)  
emotions (feelings)  
encourages (tells me to try)  
endure (live through)  
energy (feelings)  
energy sensitive (show electromagnetic energy better)  
energy systems (everything that moves)  
enhance (add to)  
entire (whole)  
entitled (named)  
equal (the same)  
equals (is the same as)

equator (an East to West line around the center of the Earth)

ESL (English as a second language)

especially (mainly)

evolve (grow)

evolved (came)

exactly (just right)

example (sample)

except (other than)

Excerpts (Parts)

excited (really glad)

exercise (walking and running)."

exercises (work)

exhale (breath out)

exist (live)

existence (being a living part of the Universe)

expand (open wider)

experience (what we are and do)

experienced (that happened)

experiences (things that happen to you)

experimenting (testing)

expert (someone who know all about something)

explain (tell about)

explained (told about)

explaining (telling about)

explains (tells)

explanation (telling about)

explanations (how they're used)

extend (repeat)

extended (held away from)

extending (holding something outwards)

exuberant (excited)

favorite (the one I like best)

Field (Magnetic Energy)

fields (energy).

Fifteen (15)

figure (think)

figure out (think about)

figured (thought)

figuring (thinking)

final (last)

finishes (makes it to the end)

flexibility (how it moves)  
flow patterns (energy shapes).  
flowing (moving)  
flows (moves)  
foal (a horse's child) with lots of love.  
focus (use)  
focused (feeling)  
focusing (thinking clearly)  
foliage (green part)  
follow (read)  
following (the one's after this one)  
fond (likes)  
font (letter)  
forced (made)  
forecaster (knows what is coming)  
former (was before now)  
Fortunately (luckily)  
Forwards (To The Front)  
frequently (often)  
function (movement)  
functioned (worked)  
future (after now)  
gain (add)  
galaxy (the stars near us)  
gases (like the air)  
generous (sharing)  
geometric (math about shapes)  
George Harrison (a famous singer)  
Ginger Rogers' (a very famous dancer and actress)  
God (everything we know of scientifically)  
graphically (like a picture or drawing)  
gravitational (electromagnetic)  
gravity (which holds us to the Earth)  
grouch (talked about what he did not like a lot)  
habit (something we do over and over)  
halter (a rope to lead her with)  
halves (sides)  
happened (began)  
happening (going on).  
harvest (picked food from)  
hemisphere (half of Earth)

hesitant (not ready to)  
history (time)  
hollow (empty)  
honestly (telling the truth)  
honor (tell about in a kind way)  
horizontal (side to side)  
human (person)  
Icon (Symbol)  
identical (the same)  
imagine (pretend to see)  
important (he really likes and needs)  
important information (new ideas)  
impression (what I think and feel)  
improve (make better)  
improvement (getting better)  
included (added to)  
includes (gives me)  
in-context (as used here)  
increase (add to)  
increased (added more)  
independently (crawl or walk by themselves)  
indicate (show)  
indicated (showed)  
individual (single)  
individually (each one by itself)  
induce (electromagnetically charge)  
inducing (causing magnetically)  
inductively (magnetically)  
Industrial Engineer (person who works on things)  
inflections (mouth and voice use)  
influence (cause)  
information (ideas)  
inhabiting (living in)  
injured (hurt)  
in-phase (electromagnetically the same)  
inspiration (help)  
inspire (help)  
instant (second or moment of time)  
instinct (natural feeling)  
Instructions (What To Do)  
intellectual (thinking)

intelligent (quiet and aware of others around him)  
interested in (wanted to know about)  
interesting (exciting)  
interview (ask questions)  
introduce (show)  
introduction (first part)  
intuition (thought and feelings)  
intuitions (thoughts)  
intuitive (best guess)  
isolate (separate)  
join (hook)  
joining (saying)  
joint (where the jaw connects to the head).  
knowledge (what was known)  
language (a way of talking) (Letters And Words)  
law (rule)  
learning (studying about)  
learning (studying)  
life forms (living parts of the earth)  
liquids (like water)  
listening (hearing)  
locate (find)  
logically (like counting 1,2,3)  
lousy (bad)  
Magnetism (Like A Magnet's Energy)  
magnetize (make a magnet)  
Magnifying Glass (A Tool Which Makes Things Look Bigger)  
mammals (ones with breast)  
manner (way)  
marking [counting]  
marvelous (real good)  
Mathematical (using numbers)  
matrix (shape)  
Meaning(s) (What It Means)  
meant (was saying)  
mediator (person in the middle)  
memorize (remember)  
mentally (by telepathy)  
mention (say)  
mentioned (said)  
message (idea that is shared)

metal (iron or steel)  
methods (ways of doing something)  
minimum (as little as possible)  
misalignment (not aligned)  
mispronounces (says the wrong way)  
Modern (now in history)  
moisture (water)  
moment (a few seconds)  
more dynamic (moves more)  
Motherhood (being a mom)  
motion (move)  
movements (moves)  
multiple (a few)  
musically (about playing music)  
muter (is quieter)  
NASA's Hubble Space Telescope (big camera in outer space)  
natural (normal)  
naturally (like nature)  
naturalness (how easy it is to do)  
Navigate (Move Around)  
navigation (how to get around)  
necessary (you need to)  
negative (bad)  
normally (peacefully)  
nostrils (holes in the nose)  
notice (learn about)  
noticed (experienced with me)  
nutrients (food)  
Object (Something)  
objects (things)  
obvious (easy to see)  
obviously (easy to see)  
occurred (happened)  
offended (made to feel badly)  
offering (asking me to take)  
offers (gives me)  
one dimensional (the size of a flat object - 1-D)  
one hundred thousand (100,000)  
opinion (idea)  
opportunities (chances)  
opportunity (chance)

opposed (compared)  
opposite (other)  
option (choice)  
optional (if you choose to)  
options (choices)  
orbit (circle)  
order (arrangement)  
origin (start)  
original (first)  
originally (when it was first said)  
originator (the first one to start)  
oscillate (move my had back and forth across the North to South centerline).  
otherwise (another way)  
outburst (made excited sounds)  
out-of-phase (not the same electromagnetically)  
outwards (away from the center)  
Pablo Picasso (a very famous painter artist)  
parenthesis (like these "( )" marks)  
partially (part of)  
particular (one of many)  
partner (friend)  
past (before now)  
patience (taking time)  
pattern (shape) (repeating idea)  
Peaceful (No Wars)  
perceive (have learned about)  
Percentage (%)  
perception (view)  
perceptions (thoughts we think and see)  
perfection (just right to pick and eat)  
permeates (goes through)  
personal (your own)  
photo (snap shot or picture)  
photographic (like a picture)  
physical (with real bodies)  
pictures (photos)  
pieces (parts)  
planet (Earth)  
playful (loves to play)  
point (idea)  
poisonous (can make you sick or die)

polarities (like + or – on a battery)  
polarity (like a battery has a "+" and "-")  
polite (respectful)  
polluted (has dirty air)  
popular (well known)  
positive (good)  
possible (something you can do)  
possibly (like me)  
potential (amount of energy)  
potentially (most likely)  
practice (doing it over and over)  
practicing (doing)  
predict (know about before it happens)  
preferred (would choose)  
preparation (getting ready)  
present (right now)  
presently (now)  
pretend (think)  
pretended (thought about)  
primarily (mostly)  
primary (1st)  
primates (apes and humans)  
principles (rules or laws)  
printable (with a computer printer)  
probably (most likely)  
problems (a hard time)  
procedure (method)  
projected (like a movie)  
promised (said we would for sure)  
promoted (talked about)  
pronounce (say)  
pronounces (says)  
pronunciation (how to say a word)  
propellers (under water blades that move the ships)  
protected (taken care of)  
protection (keep them safe)  
proven (made me sure)  
pruning (trimming plants)  
psychic (mental or thought)  
psychic awareness (dream like thoughts and feelings).  
psychic experience (thought about like it was real)

psychically (with thoughts and feelings)  
putting (saying)  
questions (ideas that ask you something)  
Race (Human Beings)  
reacts (moves because of the energy)  
realigned (lined up)  
reality (how the Universe works)  
realization (thinking)  
realize (understand)  
realized (learned)  
recent (latest)  
recently (lately)  
receptive (relaxed and quiet)  
recommend (suggest)  
recommended (a good idea)  
record (ideas)  
reflected (showed)  
relates (is affected)  
relationship (as a part of)  
relative (like a brother or sister)  
relative (related to the natural distance they are from me electromagnetically)  
relatives (aunts, uncles, cousins, sons and daughters)  
relative's (like bothers and sisters)  
relaxation (calm)  
release (outburst of sounds and feelings)  
remember (think back)  
remembering (thinking you know from before)  
represent (mean) in our language.  
representation (drawings)  
represents (shows)  
reptiles (lizards and snakes)  
researching (studying)  
resembles (looks like)  
resistance (pressure)  
resonates (sounds better)  
respect (good thoughts and actions)  
respectful (care about)  
responsibility (something I should do)  
returns (goes back to)  
reuniting (joining together)  
review (read again)

Review (Read)

roots (part in the ground)

rotate (turn)

rotated (turned)

rotates (turns)

rotation (to turn)

save face (not have hurt feelings)

scholars (teachers who know all about a subject)

scientific (facts)

seasonal (like spring, summer, fall and winter)

secondary (2nd)

section (part)

seedling (baby plant).

sense (feel with feelings and thoughts)

sense of humor (likes to laugh)

sensing (feeling)

sensitive (can get her feelings hurt easily)

sentence (words that say an idea)

separate (different)

several (more than one)

sex (boy or girl).

shining brightly (a strong glow)

shoulders (the body parts between your neck and your arms)

signal (sign)

significant (important)

silent (no sound)

silently (quietly without having to talk)

similar (alike)

similarities (how they are the same)

similarity (how it is the same)

simple (basic)

simulates (is like)

single (one)

skills (things you can do)

slugs (big bugs that eat greens)

soil (dirt)

Solar (Sun's)

solid (hard)

solids (dirt and rocks)

solution (a way to fix something)

sounded (said)

space (the sky)  
spaced (arranged)  
special (good)  
species (types of creatures)  
specks (spots)  
speech (talk)  
sphere (ball shape)  
sphere's (suns, planets and moons)  
spoke (talked)  
squares (4 Equal Sides)  
stable (usually stronger)  
statement (sentence)  
stationary (doesn't move around)  
stem (wood like part and roots)  
stiffened (made straight)  
straight (know clearly)  
strange (unusual)  
stressed (dying)  
stressful (hard on them)  
strike (light)  
stuck (hooked)  
students (kids)  
studied (read)  
subject (main idea)  
substitute (similar)  
subsurface (underground with roots)  
sub-systems (part of)  
subtle (hard to see)  
subtle insights (sensitive ideas)  
successful (did well)  
suggesting (saying)  
suggestions (ideas)  
support (help)  
surface (ground)  
surge (be stronger)  
surprised (amazed)  
swaying (moving back and forth)  
symbol (written shape)  
symbols (letter drawings).  
synchronization (alignment)  
system (a way of doing something)

system's (the Sun and planets)  
tapped (used)  
tapping (getting energy from)  
Tarantula (a big spider)  
teaching (showing)  
telepathic (thought)  
telepathically (with electromagnetic thoughts and feelings)  
telepathy (communicating with thoughts)  
temporarily (for a short time)  
tendency (electromagnetic pull)  
tender (easy to chew)  
tense (less calm)  
theoretical (possible)  
theories (ideas)  
theory (ideas about something)  
thousand (1,000)  
are not flat like ball and cubes)  
thrilled (very excited)  
throat (neck)  
timeless (forever)  
Top Of (Above)  
totally (all)  
tough (hard)  
towards (at)  
transition (change)  
transport (ship)  
triangles (3 Sides)  
true loves (electromagnetic other halves)  
trunks (spine like body parts)  
turning (bending)  
underlined (have a line under the word)  
understand (know about)  
understanding (knowing about)  
understood (known about)  
unique (special)  
Universe (all of the stars)  
unreliable (not useful)  
unusual (strange)  
Update (Make It The New One)  
updating (getting the new one)  
usages (ways something is used)

usefulness (how we can use trees)  
usually (nearly always)  
valuable (good)  
values (amounts).  
variations (types)  
variety (several)  
vehicle (like a car)  
version (type)  
vertical (up and down)  
view (way you are looking)  
visible (can be seen)  
vision (eyesight)  
visual (you can see)  
Vocabulary (words you know or are learning)  
void (empty part)  
weather (like wind and rain)  
Welcome (Please Come In)  
whole (all of it)  
wonder (think about)  
Word Creation (Making Up Words)  
written (write with the hand)  
yoga (body and brain exercises from India)
